*Fifteen recipients graduated while on the Associate Degree Scholarship Program and transitioned on to the Bachelor's Degree Scholarship Program, with one of those also briefly participating on the Working Scholars model this fiscal year. Three recipients were on lower level scholarships and subsequently transitioned to the Master's Degree Scholarship Program. Two recipients began on the Associate Degree program and transitioned to a licensure scholarship as well. Additionally, four recipients participated simultaneously on the CDA Assessment and Associate Degree Scholarship Programs. One recipient participated on an Associate Scholars model and eventually became eligible for the Associate Degree Scholarship Program during the reporting period. Thus, the total number of scholarships awarded is 2,132.
