

Shh! We Have a Plan
Going on a bird hunt
(Tune "Were going on a bear hunt")

We're going on a bird hunt
We're going on a bird hunt
We're going to catch a red bird
We're going to catch a red bird
Tip toe, tip toe, catch
Oh no it flew away

We're going on a bird hunt
We're going on a bird hunt
We're going to catch a red bird
We're going to catch a red bird
Hop, hop, hop, catch
Oh no it flew away

We're going on a bird hunt
We're going on a bird hunt
We're going to catch a red bird
We're going to catch a red bird
gallop, gallop, gallop, catch
Oh no it flew away
