

CDE Update: CSPP Age Eligibility Survey

The CDE is requesting that all California State Preschool Program (CSPP) contractors fill out a SNAP survey so that they can gather critical information needed to inform the upcoming guidance for serving five-year-old children in CSPP during the 2020-21 program year.

You can find the SNAP Survey here:

<https://surveys2.cde.ca.gov/go/csppageeligibility.asp>.

All CSPP contractors are required to complete this survey. Please have one (1) staff submit this survey on behalf of your agency by no later than **5:00 p.m. on Monday, November 30, 2020**. To complete this survey, all questions are required unless stated otherwise. For any questions concerning this survey, please reach out to CDMIS@cde.ca.gov.

Interim Guidance for Transitional Kindergarten and Kindergarten-age Children

The CDE is working to develop guidance on the topic of serving TK and kindergarten-age children in CSPP. Interim guidance is provided below:

For TK- and Kindergarten-eligible children currently enrolled in CSPP:

- CDE encourages that these children transition to TK and kindergarten.
- If there is space in a General Child Care (CCTR) contract, contractors should transition these five-year-old children to CCTR.
- If the child is not able to transfer to TK, K, CCTR, or another subsidized ELC program, please **do not** disenroll **or** recertify those families for CSPP.
- Please **DO NOT** enroll any additional TK and Kindergarten-eligible children in CSPP.
- New TK and K-age children may be enrolled in CCTR programs.
