

## **CDE Management Bulletin 21-03 RESCINDED: Revised Guidance on 12-Month Eligibility**

In an effort to reduce strain on contractors during the pandemic, the California Department of Education (CDE) is rescinding Management Bulletin (MB) 21-03 and reinstating MB 17-14: 12-Month Eligibility and the 12-Month Eligibility Implementation Guidance.

The CDE anticipates that new 12-Month Eligibility regulations, which were described in MB 21-03, will be implemented on July 1, 2021.

NOTE: MB 21-04 has been updated to remove reference of the new recertification process from MB 21-03, and is now in alignment with MB 17-14.
