

**CDE Management Bulletin 21-09:  
Revised State Median Income (SMI) Ceilings and Income Ranking Table for Fiscal  
Year (FY) 2021–22**

***This Management Bulletin (MB) rescinds and replaces MB 20-12***

Effective July 1, 2021, contractors must use the revised [Schedule of Income Ceilings](#) when determining both initial and ongoing income eligibility for families, and the revised Income Ranking Table when determining enrollment priorities related to a family's income level.

Effective July 1, 2021, contractors must use the revised Income Ranking Table located at [www.cde.ca.gov/sp/cd/ci/documents/incomerankingtable2021.xlsx](http://www.cde.ca.gov/sp/cd/ci/documents/incomerankingtable2021.xlsx) when determining enrollment priorities for families. Please note that this Income Ranking Table goes to 100 percent of SMI since there are some cases where families are served whose income exceeds 85 percent of SMI, for example in California State Preschool Program (CSPP).
