

CDE Update: FY 2021–22 Child Development Contract Processing Updates

FY 2021–22 Child Development Contract Processing Updates

While there will be no change to the issuance of initial FY 2021–22 contracts, the California Department of Education (CDE) is looking at opportunities to streamline administrative processes, both for California State Preschool Program (CSPP) contractors and the State, which will in turn help to process contracts and payments more quickly.

Initial FY 2021–22 CSPP and CPKS Contracts

- The CSPP and California Prekindergarten & Family Literacy Support (CPKS) initial contracts will be processed in the same manner as prior years.
- Contractors should expect to receive their initial contract on or around June 1, 2021 from the CDE Contracts Office.

Electronic Signature

- The CDE strongly encourages the submission of electronically signed contracts. If contracts and/or contract amendments are not able to be Adobe digitally signed, contracts may still be signed and mailed to CDE's Contracts Office.

CSPP and CPKS Contract Amendments

- Effective FY 2021–22, not all amendments to contract terms will require a signature by the contractor to be deemed executed.
- Contract amendments that do not require a signature will be processed as an "Allocation Letter".
- The CDE will make clear to contractors when an amendment to the contract must be signed and returned, and when it will be processed as an Allocation Letter. Additional information on this process is forthcoming.

Auto-Renewal Contracts

- The CDE will implement an auto-renewal contracting process in FY 2021–22; this process will become effective for the FY 2022–23 contract year.
- Auto-renewed contracts will not require contractors to counter-sign their contract renewal each year. This process will allow the CDE to more expeditiously process contract payments after July 1st of each year.

Issuance of Initial CDSS FY 2021–22 Contracts

The CDE and the California Department of Social Services (CDSS) have worked together to minimize disruption to the field as a result of Early Learning and Care programs transferring to

the CDSS on July 1, 2021. As such, the CDE will be issuing initial FY 2021–22 contracts on behalf of CDSS. CDSS child care contracts will be issued on or around June 1, 2021. Detailed instructions for where to return a FY 2021–22 CDSS contract will also be included in the contract instructions.

FY 2021-22 Funding Terms and Conditions

- Funding Terms and Conditions (FT&C's) have been posted to CDE's webpage and can be found at www.cde.ca.gov/fg/aa/cd/ftc2021.asp. Both CDE and CDSS programs will utilize these FT&C's in FY 2021–22.
