

## **CDE Update: Stipend Allocations for Preschool and Child Care Programs**

The California Department of Education (CDE) and the California Department of Social Services (CDSS) are preparing to issue a one-time stipend in the amount of \$600 per subsidized child enrolled in a preschool and/or child care program. These stipends are to address costs associated with the coronavirus disease (COVID-19) pandemic, in the case of decreased enrollment or closures, and to ensure that programs are able to remain open or reopen. Payments are expected to be issued in mid-August.

**In order to support efficient and timely release of these funds, all data requested as outlined below must be submitted no later than Friday July 9, 2021.**

- March 2021 Enrollment Data:

*Child Development Management Information System (CDMIS) CDD-801A enrollment data submitted for March 2021 will be utilized to determine the number of eligible subsidized children in the program for purposes of stipend allocations.*

- Seasonal Migrant Enrollment Data:

*The CMIG contractors that operate a seasonal migrant program, but that did not operate in March 2021, will receive a stipend allocation based on the most recent month of service prior to March 2021.*
