

# YOU'RE INVITED

## Celebrating Multilingualism: A Virtual Launch Event

Early Edge California and partners are hosting a one-hour virtual event to share and celebrate the launch of the [Multilingual Learning Toolkit website](#): a new learning hub featuring a collection of research-based key principles, instructional practices, and resources for educators and administrators supporting Multilingual Learners in PreK–3rd Grade.

- [Learn](#) more about the research behind the website.
- [Hear](#) the impact of this resource from practitioner perspectives.
- [See](#) a preview of the website and some of its key features.

**RSVP**
