

# The Bridge to Learning

## *Early* Transitional Kindergarten

Strengthening the continuum of learning and development leading to long-term school performance and positive outcomes.

Ensure **equity and access** to high quality programs for all students at their neighborhood school

Encourage best practices with a focus on **early literacy**

Provide **opportunities for families** to explore learning through interactive events with their child

Cultivate leadership through professional **learning pathways for educators**

Promote kinder-readiness through the **alignment of curriculum**, and sharing of robust data

Maximize **expertise** through co-teaching TK and ECE teacher model
