

## **CDE Update: Ratings Guidance for California State Preschool Program (CSPP)**

**The California Department of Education's (CDE) requirement of rating for CSPP Quality Rating Improvement System (QRIS) Block grantees has been suspended until January 2022**, when the progress of the COVID-19 virus can be reassessed to determine whether ratings can be safely conducted. Programs will continue to be held harmless for ratings until it is safe to resume. In the meantime, providers are encouraged to focus on quality improvement and professional development activities in preparation for when ratings can resume.
