

JOIN OUR PARENT ADVISORY GROUP!

Early Edge California is actively recruiting new members for our Parent Advisory Group!

- ✓ Are you a California-based parent of a young child or children ages birth to 5?
- ✓ Are you a Los Angeles-based parent of an infant and/or toddler?
- ✓ Are you a parent who's also a community college or university student?

If you answered YES to any of these, we'd love to hear from you!

Formed in 2020, our **Parent Advisory Group** is composed of English and Spanish-speaking parents from across the state. Members meet several times annually to offer their feedback and perspective on the local and state policies that would most help young children and their families.

The Benefits of Joining:

- **Belong to a growing community of parents** interested in participating in conversations with Early Edge on state level policy.
- **Develop your advocacy skills** through opportunities to learn and give feedback on legislation as well as policy changes and recommendations impacting California families, like your own!
- **Receive a \$50 gift card** every time you participate in our 90-minute virtual/in-person meetings!

How do I join?

If you are interested in joining, please [complete this interest form](#) and a member of our team will be in touch with you soon!

“
Listening and hearing the experiences from other parents helps me as a mother, which then I share with my husband, which finally benefits our small family and community.
